Ravalli County Commissioners
Karen Hughes, Director
Ravalli County Planning Office

Dear Commissioners and Ms. Hughes:

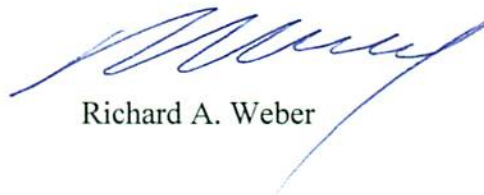

Re: Roger Russ Subdivision

I represent the developer of the Roger Russ Subdivision. My client protests and objects to the amount of \$34,847 you have determined must be paid for the "pro rata" share for county roads as a condition of approval and filing of the final plat of this 3 lot minor subdivision. The amount was improperly and unlawfully determined using inapplicable regulations.

My client reserves the right to pursue all legal remedies. Payment of any amount is not a waiver of such right.

Thank you.

Sincerely,

Richard A. Weber
